

# TAS ISLAND TRAVEL

## CRADLE MOUNTAIN DAY TOUR

Winter (May—Sep): Every Thursday  
 Summer (Oct—April): Every Thursday and Saturday

FROM \$120 PP.

We will explore the World Heritage Cradle Mountain National Park. Cradle Mountain, a must see and the start of the 65-kilometre (40-mile) Overland Track, is the northern end of the 161,000-hectare Cradle Mountain-Lake St Clair National Park. You can enjoy the pure air with a stunning walk around Dove Lake, or challenge yourself with unguided hike to view Cradle Mountain. On the way back, you will be delighted at the enterprising town of Sheffield, where history and art merge to create an entire town of murals. It would be another bonus to visit and taste delicious cheese in Elizabeth Town.

Winter (May–Sep): Every Thursday  
 Summer (Oct—April): Every Thursday and Saturday
